If you have young children:

- Never let young children go trick or treating on their own.
- Make sure they only visit people known to your family.

If you have teenagers:

- Make sure they are not going to be using alcohol, flour or eggs.
- Make it clear that if a 'no trick or treat' sign is displayed, they should leave straightaway.
- Advise them to stay in a group and never go into the home of someone they don't know.
- Make sure they understand they must not frighten people.

Display the front of this leaflet in a door or window if you would rather not be visited by Halloween callers.
