Wilks to prepare a response and to point out to K.C.C. that in addition to the existing incinerator at Kemsley Paper Mill, plus the additional one they are seeking to install; we understand there are three companies looking to apply for planning permission for Biomass Burners/Incinerators at Ridham Dock – is County intending to allow all four? This will make a total of 5 Incinerators/Burners in or near to the Ramsar/SSSI site and also near to a populated area.
